FALL IN LOVE WITH STAC-TV

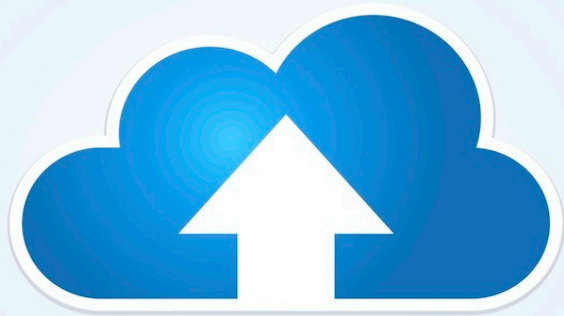

Fall is my personal favorite time of year! Boots, scarves, pumpkin spice, and Husker Football!!!! Who wouldn't be in love with the crisp air that brings out the best kind of fashion year-round?! Well we have something EVEN BETTER – if you can believe that! STaC-Tv! Voted BEST Fiber Television Provider in Northeast Nebraska, we are positive you will love our service! Check out our POPPIN' STaC-Tv Specials through December!

FREE STAC-TV UPGRADES

Existing STaC-Tv Customers: You may have noticed a friendly little message on your TV screens lately. We want you to know we offer free, same-day STaC-Tv Tier upgrades if you call before noon during office hours! What does this mean for you? Check out our local channel 2, STaC-Tv Guide, or even online to see when the next game is. If you don't see the channel on your tier – CALL US to upgrade, and never miss a game again!

CHANCES TO WIN

Keep your eyes peeled for information about more ways to win! We not only love our new customers, but want to show our appreciation for existing customers as well! So obviously we will be promoting specials that are great for BOTH! Make sure you watch our Stanton Telecom Facebook page and our local channel 2 for more information! Don't forget about referring a friend to get \$10.00 towards your bill!

WHOLE HOME CLOUD DVR

Have you ever heard of those real-life nightmares of a satellite customer losing all of their recordings due to equipment failure? Yeah, we have too.

That's why STaC-Tv offers CLOUD DVR service! All of your recordings are safe and sound, backed up on our server. We know you'll love it so much, we're giving 1 free month of Cloud DVR Service to ALL NEW CUSTOMERS!!

WE WANT YOU BACK!!

STaC-TV employees genuinely miss serving customers who no longer have our television service. We would truly love to have you back! STaC-TV is provided through our fiber-optic network, buried to every home. This means the truest HD video and sound with no local weather-related outages! Recently voted Northeast Nebraska's BEST Fiber Television Provider, we bring you amazing features like Re-Start TV, Cloud DVR, Weather App, and so much more!

NO Contracts. Available in Town & Country. We can't wait to hear from you!
