

Stanton Telecom, Inc.

UNLIMITED INTERNET. UNLIMITED POSSIBILITIES.

BABY, IT'S COLD OUTSIDE

BRRRRRR...Ring in the New Year with Stanton Telecom, Inc.! We are HAPPY to welcome our new STaC-Tv and Broadband Customers to our beautifully connected fiber family. We have plenty of room for more, so be sure to check out our services BEFORE you get locked into another long contract. We pride ourselves in offering amazing services that don't require a contract to keep you around. We know you'll love it, so we don't force your commitment.

NEW YEAR, NEW YOU?

Technology is always changing, and we're here to help you keep up! With unlimited SUPER SPEEDY Broadband packages, and multiple STaC-Tv Tiers to choose from, we are sure we have something for everyone! We love upgrading and keeping ahead of the times! But some things should stay the same, like no contracts, ever. This new year, resolve to get out of lengthy binding contracts.

DITCH YOUR DISH!

BEFORE you sign onto another 2-year agreement with the other guys, we invite you to check out our STaC-Tv! ZERO introductory rates. Absolutely NO contracts. CHEAP installation! All of that based on our fiber to the home network to provide you the absolute highest quality in video and sound. You deserve the best. We can help you with that.

NO CONTRACTS. EVER.

We mean it! It makes us so sad when we have potential customers waiting for their contracts to finish up in order to get our services! Sometimes that means they might miss out on our amazing new install specials! Not today, Satan. If you are waiting to get out of a nasty contract, CALL US!!! See what we can do for you! We think you'll be happily surprised.

MAINTAIN YOUR HOME NETWORK

Broadband is so much more than just internet. It's your entire network! Computers, tablets, smart phones, smart TVs, gaming consoles. Literally everything connects to the internet these days. But why should it be your responsibility to maintain all of that! Seriously, check out our Whole Home Wifi/Wire Agreement. For only \$7.95 per month, you don't have to do ANYTHING to maintain your network! We'll keep our pros on it. Because you're worth it!

Let STaC-Tv Complement your Streaming!

STAC-TV + BROADBAND = PURE MAGIC

Like we've said before, technology is always changing! Streaming is now available (and awesome) in 4K!!! That means you need more speed and bandwidth to truly receive 4K definition. Check out our Speedy and Super Speedy Broadband packages!

Did you know we have a STaC-Tv package made just for streamers? For only \$39.95 per month, get all local channels out of Lincoln, Omaha, Sioux City, and Norfolk! Not only will you stay up to date on local news and happenings, you'll also get to watch prime time television, LIVE! No more waiting 24 hours for your favorite shows to post! Here's to the New Year!

Let's do entertainment right! Get the best streaming and entertainment experience when you pair Broadband with STaC-Tv!

MERRY CHRISTMAS, AND HAPPY NEW YEAR

What is your New Year's Resolution? Maybe it's to try new things or hit the gym every day. Maybe it's adding patience towards your children, or getting more organized.

For Stanton Telecom, we resolve to continue.

We promise to continue offering the best service possible, along with local, attentive, and kind customer service and same or next day scheduling.

We hope your holidays were merry and bright, full of love and delight.

Merry Christmas, and Happy New Year
